MORE BOOKS, MORE MOVIES, MORE EVERYTHING, INCLUDING CONVIENIENCE!

Recently, we joined 10 of our fellow state-aided libraries in Carbon and Lehigh County to form a cooperative to share resources. By the end of 2018, we will share an online catalog and automated circulation system and have daily deliveries between the libraries.

What this means for you is easier, faster access to many more books, DVDs, audiobooks, and other items. You'll be able to place reserves on items online at anytime you choose.

You will have access to over half a million items between all 11 libraries.

Stay tuned for more details! (Visit our website, follow us on Facebook, or stop in!)
